

## Snyder's of Hanover to open free health clinic

Daily Record/Sunday News

Updated: 03/29/2010 10:14:28 AM EDT

Snyder's of Hanover plans to open a free health care clinic for its employees and dependents next month.

The clinic is a partnership with CareHere, a firm based in Tennessee that specializes in such workplace-based clinics and currently has more than 90 such clinics across the country.

The clinic would offer primary medical care like routine checkups, lab tests and medications, and CareHere also specializes in preventative medicine like wellness programs, Snyder's said.
