

Requisition number: 20100225SDTN

Title: Senior Software Developer

Job Status: Full Time

City: Brentwood

State: TN

Description CareHere LLC is in need of a Senior Software Developer. The ideal candidate will work in a team environment and will report directly to the Director of Software Development. Responsibilities include software development deliverables as well as support of internal and external clients and ongoing support for both new and existing applications. Other responsibilities will include custom reports, database manipulation and maintenance, system automation, and requirements gathering. The ideal candidate also must be a self-motivator, with the ability to quickly adjust to a fast moving environment, and be able to produce results in a timely fashion.

Required Skills

- 3-5 years Experience in .NET Technologies, Visual Studio, and C#
- Strong skills in MS SQL Server & T-SQL
- Reporting skills in MS Reporting Services a plus.
- IT related degree and/or similar professional experience
- Ability to work independently
- Must pass a security background check

Desired Skills

- Good communication skills
- Strong work ethic
- Adaptability / Self-starter / Team-player
- Ability to think creatively
